Newsletter of the Port Huron Chess Club

Editor: Lon Rutkofske October/November 2022 Vol. 41 Number 8

The **Port Huron Chess Club** meets Thursdays, except holidays, from 6:30-10:00 PM, at Palmer Park Recreation Center, 2829 Armour Street, (NE corner of Garfield Street and Gratiot Ave...1 mile North of the Blue Water Bridge) Port Huron, Michigan. Everyone is welcome. All equipment provided. Email: PtHuronChessClub@aol.com or Website: http://porthuronchessclub.yolasite.com

Avdic takes the 2022 Speed Championships by storm: 14/14

To Say that **Huso Avdic** "breezed" through the competition on his way to capturing his second consecutive Speed Championship would be an understatement of gigantic proportions. Unscathed in 12 consecutive matches, our Bosnian brother overpowered his opposition as did Gulliver to a host of Lilliputians! Placing second, was **Alan Gregg**, in an effort to keep himself fresh prior to his upcoming journey to Lansing this next weekend to test his skills in the challenging open section of Michigan Chess Association's "Bottom-half Class Tournament"!

One of the most striking things to emerge from this year's event was the remarkable improvement shown by **Trenton Klaty** who took one scalp from 3 of the four players (including his own brother) who finished above him in the crosstable. Thanks go to **Bill Wingrove** who agreed to be our houseman (*Player not in the tournament that agrees to play, when each player that has a bye would normally be idle.*) **Brandon Byrne** our lone Sandusky native, made it a point to drop by and play in his first tournament of the year and enjoyed some nice wins as well as welcomed chess camaraderie. This year's event was both USCF and PHCC rated, permitting entrants to earn rating points at local and national levels.

The November 17th Double Round Robin Action Quads (See details in the Events Calendar.) will complete the 2022 tournament season.

Possible Match with the Oak Park Chess Club on the immediate horizon!

Former PHCC member and supporter, Jason Morris is proposing a pre-Thanksgiving match between the PHCC and members of the Oak Park Chess Club on a Saturday in November. Thus far, we have the following PHCC members interested in competing: Lon, Huso, Alan, Bill, and Mark Schmidt. The OPCC has agreed to make the trek in the first of

Chess Chatter

a pair of home/home matches. If you are interested in participating, please contact Lon before November 4th so arrangements can be made!

Members' Games

Please send me what you consider your best games, annotated or not, so that I might be able to showcase them. The following games represent contests that have been available at the time of this printing. Email them to me or give them to me personally if you wish. Majority of analyses is done by Fritz 12, unless otherwise indicated. [This a reminder of the change in policy in the PHCC Challenge rules: # 14 - Games can be rated by the USCF, provided both players are members in good standing with the USCF and agree to have it rated by paying in advance to the TD (Lon Rutkofske, or other club official with a valid TD certification card.) of \$1.50@ to cover rating costs.] Updated Challenge rules will follow below:

Format and rules for PHCC Challenge System

- I. Purpose: to provide club members the opportunity to challenge higher rated players on a regular basis to improve and test their skills in over the board non-tournament competition.
- II. Regulations: (Effective 11-8-2018)
 - a. Challenges may be made by any club member on the PHCC rating list under the following circumstances:
 - 1. Can only be made only by a lower rated player.
 - 2. Can only be made during club hours and cannot be made after 8:00PM.
 - 3. Must be played on the same day as the challenge was made, so there can be no advanced challenges.
 - 4. Both players must be present.
 - 5. Only one challenge may be made per meeting.
 - 6. Challenger can only challenge a player that is rated less than 400 points above him on the rating list.
 - 7. All challenges must be accepted.
 - 8. No challenge may be made while a participant is involved in a tournament or challenge game.
 - 9. A clock must be used with the time control of G/60 with 5 second delay; must be recorded by both players and submitted to the rating director upon completion of the game. (See Sample Score Sheet on page 2)
 - 10. All challenge games must comply with current tournament rules of chess as established by the US Chess Federation.
 - 11. No challenge game may be adjourned, but if an unusual circumstance arises, the club rating director may adjudicate.
 - 12. No member may be challenged more than one consecutive time by the same challenger. This means that the lower rated player cannot challenge the same player two times in a row. He/she must play another match before this can take place, but this also means that the higher rated player may be challenged by the same rated player consecutively if he has not participated in a match in between challenges within a six- week period. Abuse (I.E. Constant challenges and re-challenges or other annoying or inconsiderate behavior) must be reported to the Director and he has the option of suspending the violator indefinitely from participation in the Challenge system. Disputes will be adjudicated by the ratings director, with the advice of other players as he so wishes.
 - 13. Challenges can take place on the first Thursday of each month, or at any time there is no other tournament or event scheduled.
 - 14. **Games can be rated by the USCF**, provided both players are members in good standing with the USCF and agree to have it rated by paying in advance to the TD (Lon Rutkofske, or other club official with a valid TD certification card.) of \$1.50@ to cover rating costs.
 - 15. Results will be rated by the PHCC (*Using the USCF rating system.*) using current PHCC ratings posted at the club and will be adjusted as necessary by the club rating director. Changes will also be posted on the club website.
